Dr Parimon Phaisamran

Founder of Clover Residence

Principal of HeadStart International School
and educator of fifteen years

"Working in educational management has been a rewarding journey and I am proud to be a founding member of HeadStart International School Group since its very early days.

I have worked with designers and architects for many years, building high quality schools from the ground up. I believe creating a School District offering luxury residence to families, within walking distance, is the perfect lifestyle concept".

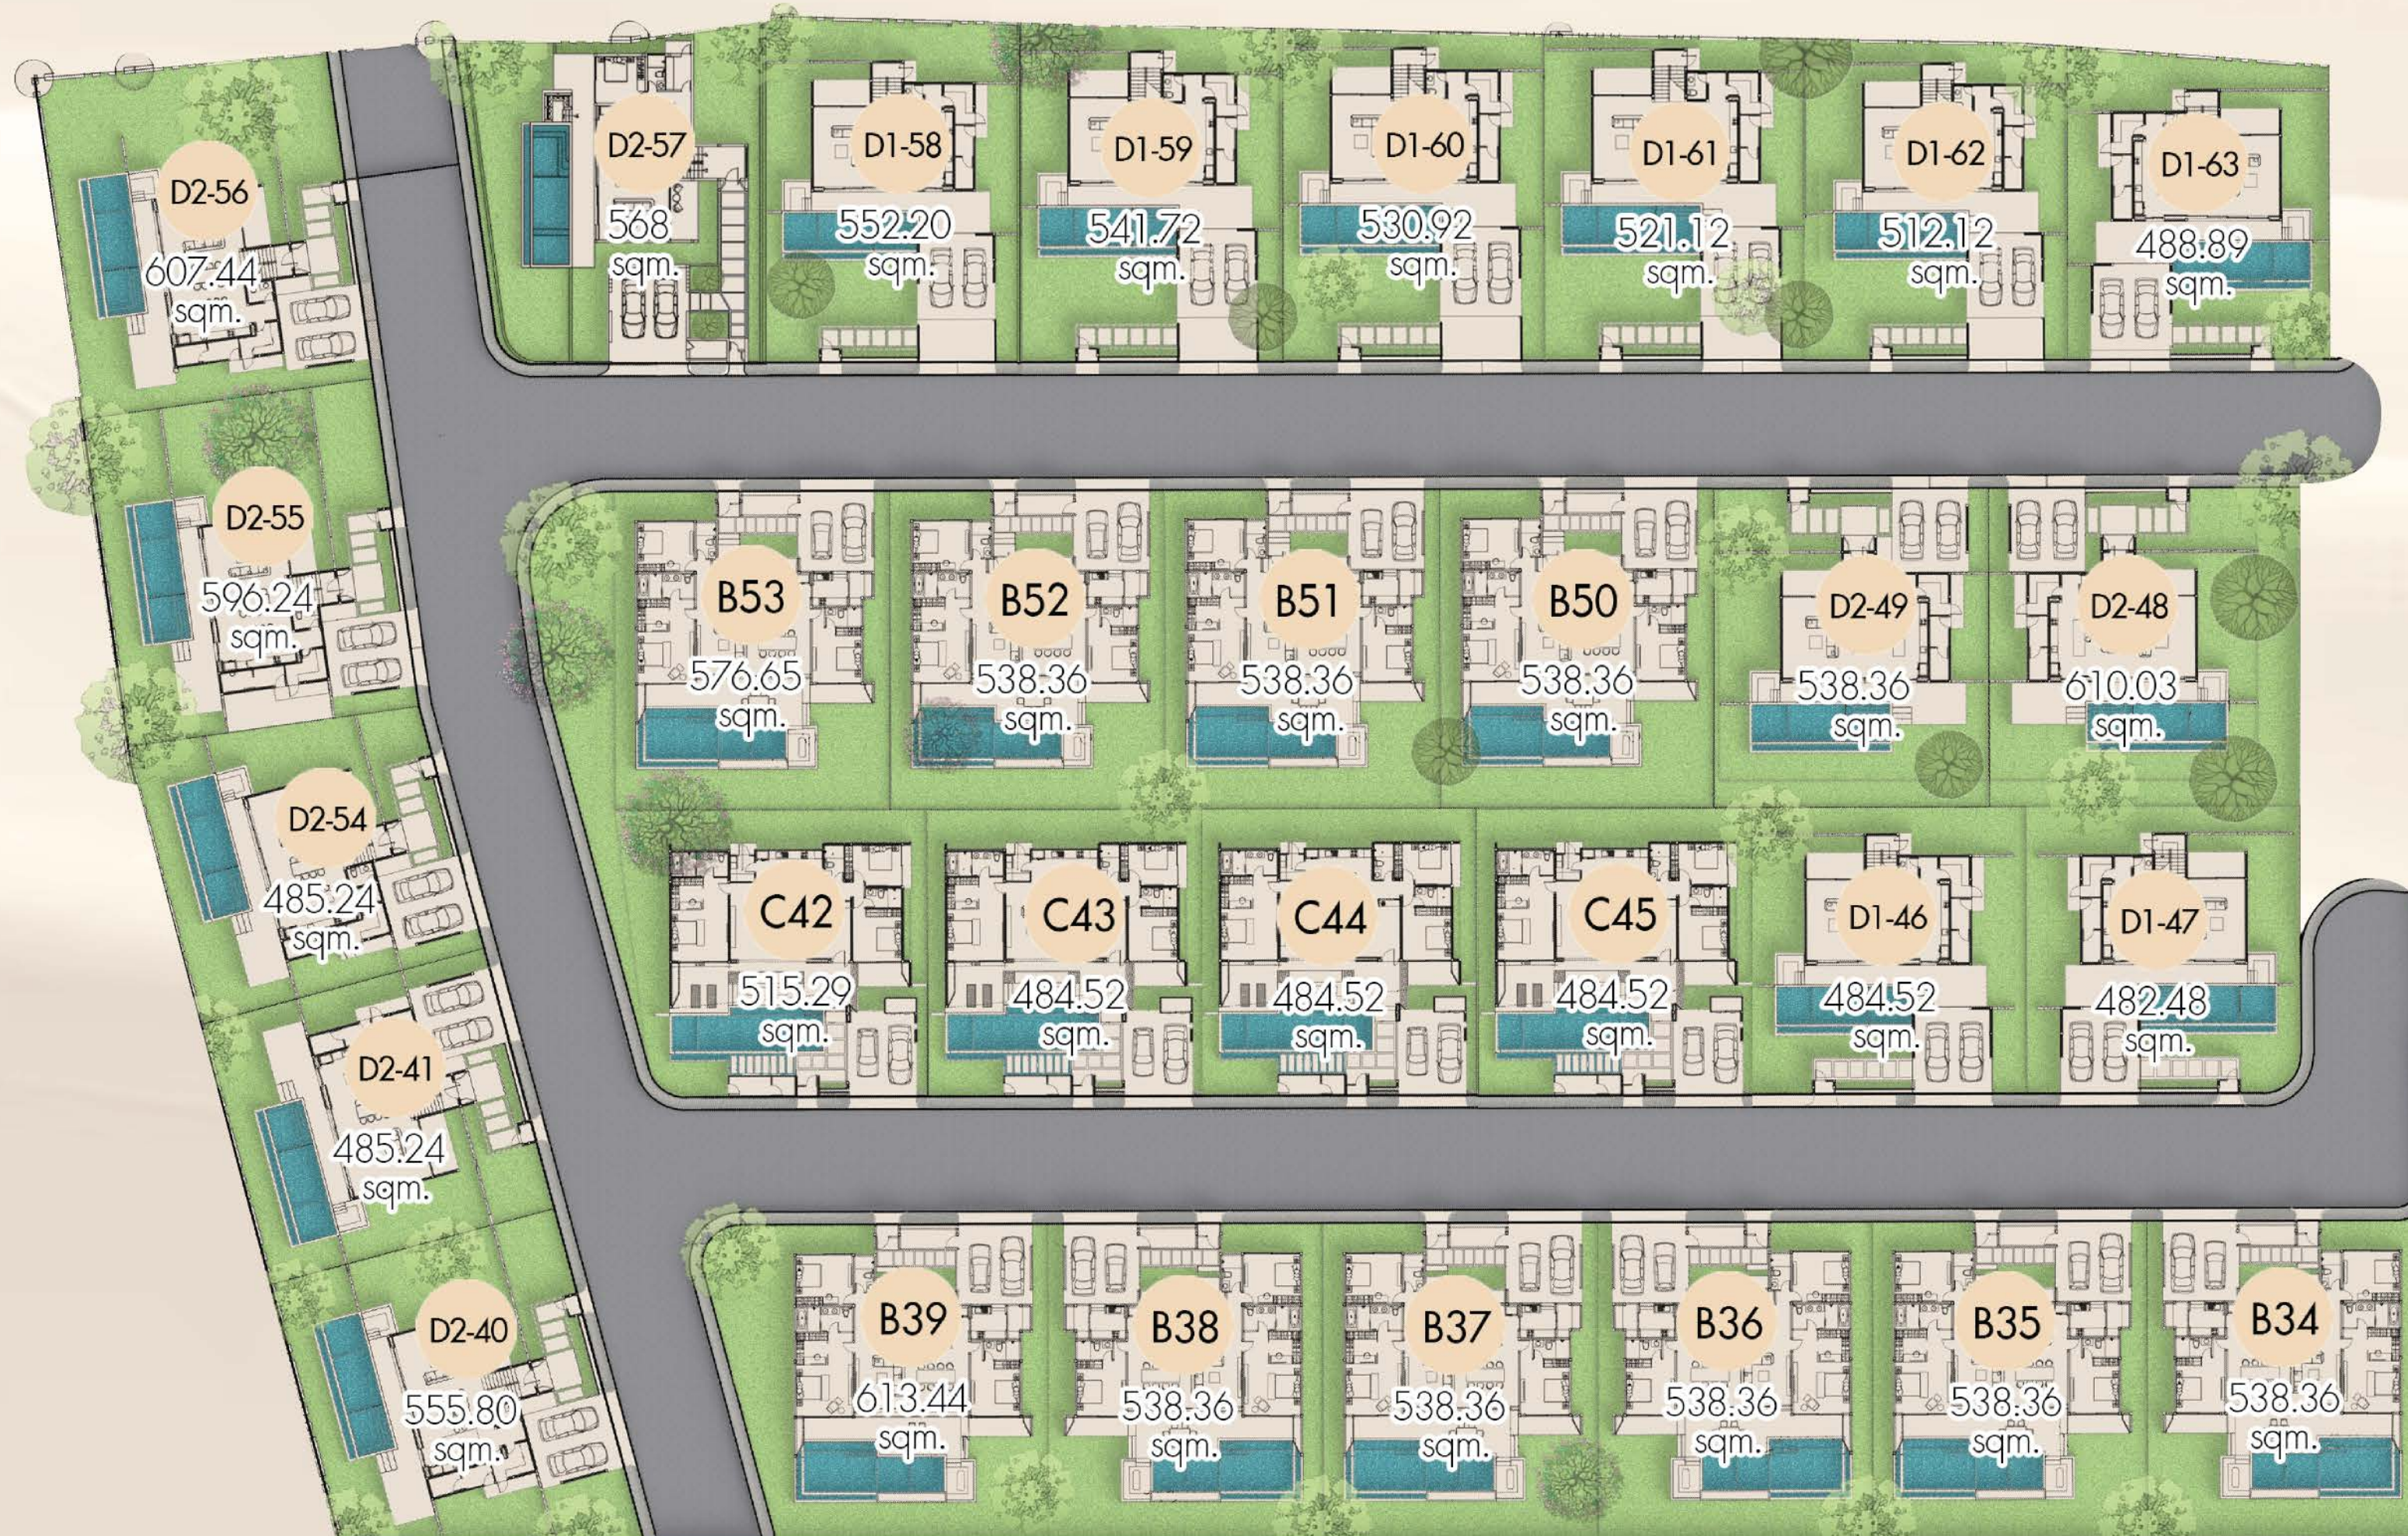

Clover Residence is nestled amidst rolling hills and breathtaking sea views, this tropical paradise is a place of exceptional beauty and relaxation. With excellent connectivity to locations around the island this is the perfect opportunity to claim your place in this highly sought after residential project.

MASTER PLAN

Our Project, Clover Residence, is developed by the experienced Good Team Group in direct collaboration with our partner construction company. Together, we are a team that inspires confidence through its reputation and results.
